

Hello, _____ Welcome to Google Apps.

To start using your services, just click on the links to the right. Easily share and collaborate with others in your organization by using Google Apps.

 Your IT administrator is managing user accounts. To invite additional users to Google Apps, please contact your IT administrator.

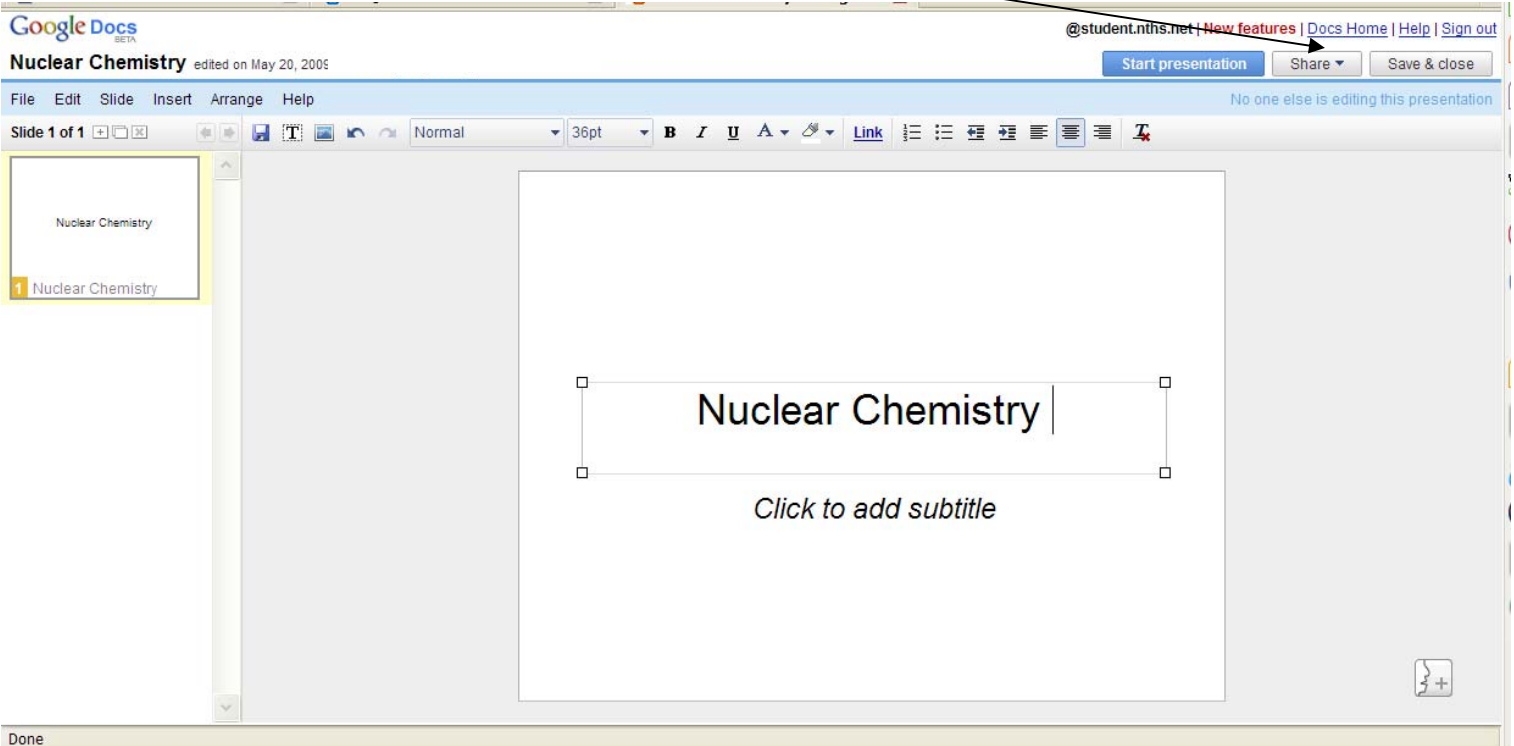

Your services

-  [Sites](#)
Quickly create and publish collaborative sites
-  [Docs](#)
Publish and collaborate in real-time on documents, spreadsheets, and presentations
-  [Calendar](#)
Organize schedules and share events and calendars with others
-  [Email](#)
Improve your existing mail account with Gmail's powerful search, SPAM filtering, and chat in the browser
-  [Start Page](#)
Central place to access essential content and search the web

Go to Docs --- Let that open and THEN on Left side of that NEW page select Presentation.

Create your Presentation and SAVE IT

Then select SHARE and invite others as COLLABORATORS

The screenshot shows the Google Docs interface for a presentation titled "Nuclear Chemistry". The top navigation bar includes "File", "Edit", "Slide", "Insert", "Arrange", and "Help". The main editing area displays a slide with the title "Nuclear Chemistry" and a subtitle placeholder "Click to add subtitle". The left sidebar shows a thumbnail of the slide. The top right corner of the interface includes the user email "@student.nths.net", a "New features" link, and buttons for "Start presentation", "Share", and "Save & close".
